JULY 2023

NEWSLETTER FOR CO-OP MEMBERS OF ENERSTAR ELECTRIC COOPERATIVE

## INSIDE

### 18B-18D

Capital credits

## Capital credits refunded Years of service 1988 to 1990

Unlike investor-owned utilities who provide electric service for a profit, EnerStar Electric Cooperative is a member-owned, member-controlled electric distribution cooperative. After the revenues are collected and all the expenses paid, we return our margins (our version of profits) back to the member-owners.

When you sign up to receive electric service from EnerStar, you become a member of our electric utility, a part-owner who invests equitably in the co-op. The amount allocated back to each member is based on how much electricity they used in that year and is paid back to the member later in the form of a capital credit retirement.

Capital credits are not refunded, or "retired," immediately. Because the electric utility business requires large amounts of capital to operate, electric cooperatives reinvest capital credits into their business operations toward

improving and expanding our electric system and meeting our other capital needs. Capital credits also reduce our need to borrow money, which helps keep monthly rates for members down and helps us provide you, the member, with a more reliable electric service. During this time, EnerStar carefully keeps track of the amount owed to each individual member to ensure all members can receive the correct amount in their capital credit refund when the time comes to retire them. If you ever move out of our service territory, it is very important that you provide EnerStar with a forwarding or current address to ensure you receive your capital credit money.

The cooperative is attempting to locate these members and former members (or possibly their heirs) who received service during the years 1988 through 1990. The cooperative does not have a valid address on the accounts listed below. If your name or the name of a family member is listed, please contact EnerStar at 1-800-635-4145 or at [memberservices.com](http://memberservices.com) during our normal office hours Monday through Friday, 7:30 a.m. to 4:30 p.m. If a member listed is deceased, the estate executor should contact the office for additional instructions on a special estate retirement.

A Touchstone Energy® Cooperative 

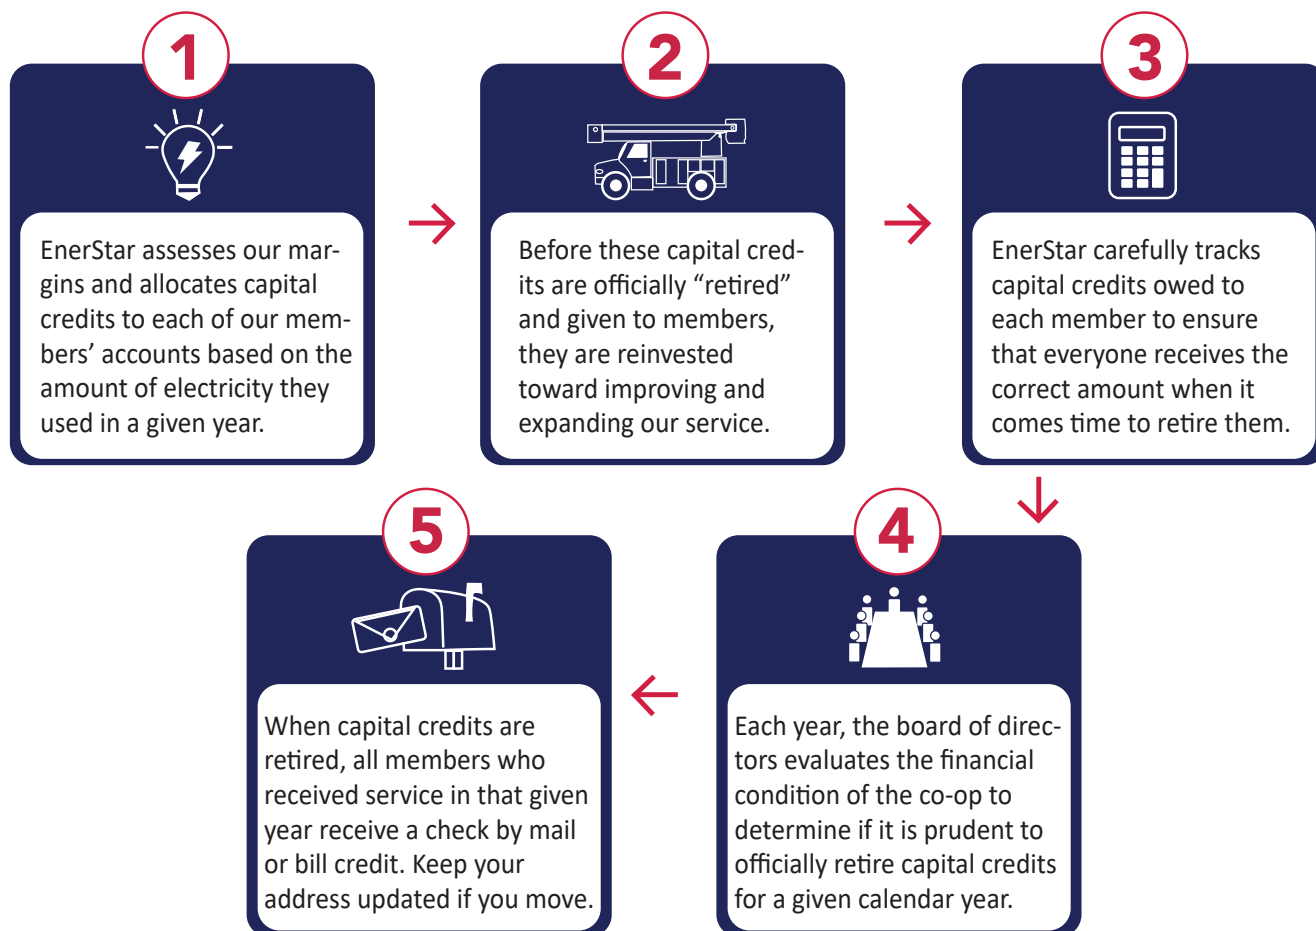

11597 Illinois Highway 1  
Paris, IL 61944  
800-635-4145  
Monday through Friday  
7:30 a.m. to 4:30 p.m.

The EnerStar office will be closed July 4 to celebrate Independence Day.

# How Capital Credits Work

Unlike investor-owned utilities, EnerStar Electric Co-op is a not-for-profit organization that returns its profits, or “margins,” back to its members! As a member, you are a part-owner of the co-op who is entitled to receive money back through Capital Credits. Here is how they work:

***If your name is listed below, or you are an heir of someone listed, please contact EnerStar regarding a capital credit refund.***
